## SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be said if he will use Newcomb's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal coat of hair. Sold by leading druggists. Send 3c. in stamps for sample to The Herpicide Co., Detroit, Mich.

## A Man With Honor.

Judge John E. Weeks, the new president of the Addison County Agricultural society, has received more honors than any living man in the county, with one exception, ex-Gov. J. W. Stewart. Judge Weeks was later, selectman, justice of the peace, school director and moderator in Salisbury, which town he represented in the legislature of 1889; in 1892 he was associate judge of the county court; in 1896 he was senator from Addison county, being the colleague of the late Dr. A. A. Dean of Bristol and they made an able team. He has been for many years trustee of the Vermont Industrial school, is a director of the Vt. Mutual Fire Insurance company, and president of the board of trustees of Middlebury college, a member of the Republican county committee, has been president of the county convention and held numerous other positions. Judge Weeks has been general superintendent, director and vice president of the county. He is a hunter and as president of the next fair, with good weather, we predict the receipts will be \$10,000, and that Addison county will have the greatest fair in its history. He and Secretary Hamilton make a strong team and they will be backed by the people of the entire county.

## BRIDE WAS POISONED.

But She Will Recover, So Hospital Physicians Report.

Providence, R. I., Jan. 12.—Mrs. Della Garret, who was married yesterday in this city, and her friend, Mrs. Lizette Bishop, are at the Rhode Island hospital as the result of poisoning, caused, it is believed, by eating canned beef at a luncheon which was partaken of by the bride couple at Mrs. Bishop's rooms immediately after the marriage ceremony. Besides the two women, their respective husbands were also affected by the food, though in a less degree. Besides the meat the meal consisted of ice cream, bananas and oranges, and the party had not concluded eating when they were suddenly seized with sickness. Physicians who were called diagnosed the illness as acute gastritis and the women were taken to the institution, where late yesterday it was stated that the chances were good for their recovery.

It is the action of trespass and the plaintiff seeks to recover triple damages, taking advantage of a recent act of the legislature. It is claimed by the plaintiff that the defendant entered a wood lot in Richmond and cut down 1,000 spruce, 1,000 basswood, 1,000 beech and 1,000 other trees, all of which were valued at \$1,000.

## THE "AMERICAN PERIL."

Berlin, Jan. 12.—A book entitled "The American Peril" by an anonymous author, which made its appearance today, describes this "American peril" not as a commercial menace, but as an intellectual and moral danger. The American conception of life, according to the writer, is brutal, egotistic, immoral and irreligious. Europeans, by accepting the American theories of life, become soulless.

## A Grim Tragedy

is daily enacted in thousands of homes at Death clinics in each one another victim of consumption or pneumonia. But when coughs and colds are properly treated, the tragedy is averted. F. G. Huntley of Oakland, Ind., writes: "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds, which cured her, and today she is well and strong." It kills the germs of all diseases. One dose relieves. Guaranteed at 50c and \$1.00 by the Red Cross Pharmacy, Trial bottle free.
